PROFESSIONAL EXPERIENCE

ROAR! INTERNET MARKETING, Altamonte Springs, FL
Internet Marketing Manager

2015 - Present

A full-service marketing and web development agency specializing in pay-per-click and websites developed around conversion optimizations for companies of all sizes

Responsibilities

- Responsible for development of all client and internal marketing strategies, conversion optimization direction and oversight of all marketing staff.
- Managed PPC budget exceeding \$3.2MM and all reporting efforts.
- Responsible for client interfacing and holistic strategy for all clients (approx. 65 accounts).

Key Contributions

- Increased new-client AdWords conversion rates on average by 146.7%.
- Increased client renewal rate from a quarterly average of 63% to 91%.
- Developed fully-automated AdWords monitoring system to check for and report anomalies and fatal errors across entire AdWords MCC.

BRIGHTBULB MEDIA PARTNERS, LLC., Orlando, FL
Managing Partner & Chief Strategist

2012 - 2015

A full-service agency dedicated to providing complex Analytics solutions and business intelligence reporting centered around iterative multi-variate testing.

Responsibilities

- Developed, launched and monetized offline conversion tracking integration for Google Analytics.
- Oversaw product development and execution across all platforms, including, but not limited to PPC, email, paid social and organic.
- Responsible for the onboarding of new clients and expansion into microsite, content verticals and iterative testing of major e-commerce platforms.

Key Contributions

- Grew annual revenue 131% in 18 months.
- Developed and shaped all client reporting efforts.

DOUBLE DARE STUDIOS, LLC., Toronto, Ontario
Vice President, Marketing

2010 - 2012

App developer focused on providing freemium-model recurring revenue streams to support the online dating ecosystem.

Responsibilities

- Managed annual marketing spend of approx. \$6.4MM.
- Responsible for branding, product roadmaps, go-to-market strategies, vendor selection and investor relations.
- Oversight and strategy development for all venture capital raising.

Key Contributions

- Won SXSW's (South-by-Southwest) "Best Canadian Start-Up."
- Developed freemium pricing strategy and accompanying revenue projections.
- Successfully led venture capital raising efforts, ultimately raising in excess of \$8MM to fund a Series A investment round.

HEARST TELEVISION, Orlando, FL
Managing Editor, Digital

2005 - 2010

Recruited by Hearst Television SVP Terry Mackin to shape digital entertainment strategies for digital platforms for all local Hearst-owned television affiliates.

Responsibilities

- Developed robust content repurposing strategy focused on sharing content across national news sites without incurring SEO penalties.
- Incorporating high-definition livestream broadcast elements into digital experiences.
- Development of special projects elements for one-time or cyclical news events and special advertising verticals.

Key Contributions

- Winner of CW Network's 2010 Model Affiliate Award for branding and execution.
- Oversaw the integration of three acquired television stations in three different markets into the Hearst system.
- Navigated and successfully migrated all sites within my area of responsibility to comply with the congressional HDTV transition deadlines and mandates.

GAMEBATTLES.COM / MAJOR LEAGUE GAMING, New York, NY
Director Of Content

2003 - 2005

Now a subsidiary of Activision, Major League Gaming is the premier sanctioned video game league, hosting events across North America for prizes in excess of \$1MM, which was chronicled in a weekly reality show which aired on the USA Network.

Responsibilities

- Developed brand strategy, content verticals, microsites and further promote broadcast elements across all digital platforms.
- Lead design, implementation and marketing of the "MyGB" social network infrastructure.

Key Contributions

- Grew property from 1-million annual page views to 1.2-billion in fourteen months time.
- Declared by Hitwise the “World’s Largest Gaming Site” in August of 2008.
